Description

A well equipped Mercedes-Benz ML250 Bluetec AMG Sport Automatic with low mileage. Offered with six workshop service visits documented, all except one being with Mercedes-Benz main dealers, this example has five former keepers recorded with the DLVA with two of them residing at the same address and one other being a motor dealer. This example has had next to no use for four years and in the last year has been recommissioned and returned to the road by one of our business partners, having recently had an oil service and rear brakes overhauled. Finished in Obsidian Black co-ordinated with Black Anthracite part fabric and part Imit Leather upholstery.
