Description

An elegant subtly styled Mini Convertible Cooper 1.6 Highgate edition. Offered with four entries recorded in the service history and one former keeper showing on the V5 document. Finished in glossy Midnight Black Metallic co-ordinated with Silver Turned Brown (Denim effect) hood and sumptuous Dark Truffle Lounge Leather piped in blue. Highgate editions were produced in a small production run with a price reflecting the high specification at over four thousand above that list price of the standard Convertible Cooper.
