Description

A rare opportunity to own an exceptional (R52) super-charged Mini Convertible Cooper S 1.6 with the Chili pack and further desirable factory fitted options. This example has two former keepers recorded on the V5C and has been in the proud possession of its last retired owner since 2014, they enthusiastically cherished the car. There are four entries in the service booklet as well as further documented history including a replacement soft top hood in 2015 at a Mini main dealer.
